

More education

Better health, more solidarity

With the African Movement of Working Children and Youth, we are building our future ...

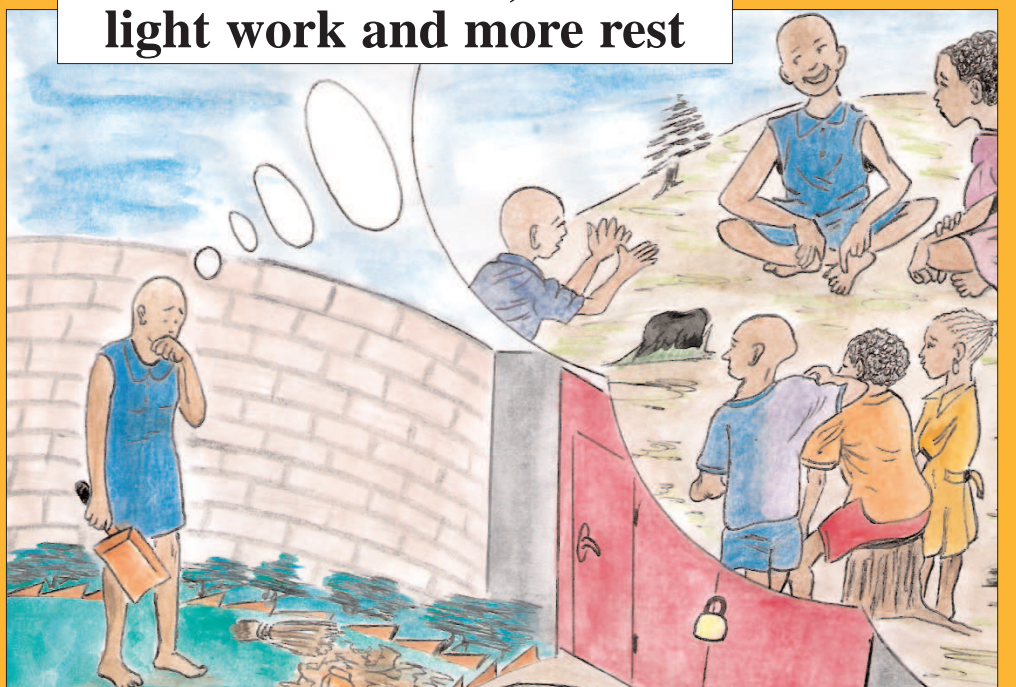

Our Vision

All African children must be born and grow in good conditions, and enjoy their full rights to thrive, while at the same time they help their communities to develop harmoniously in peace and in a favorable environment.

Our Income Generating Activities are more effective

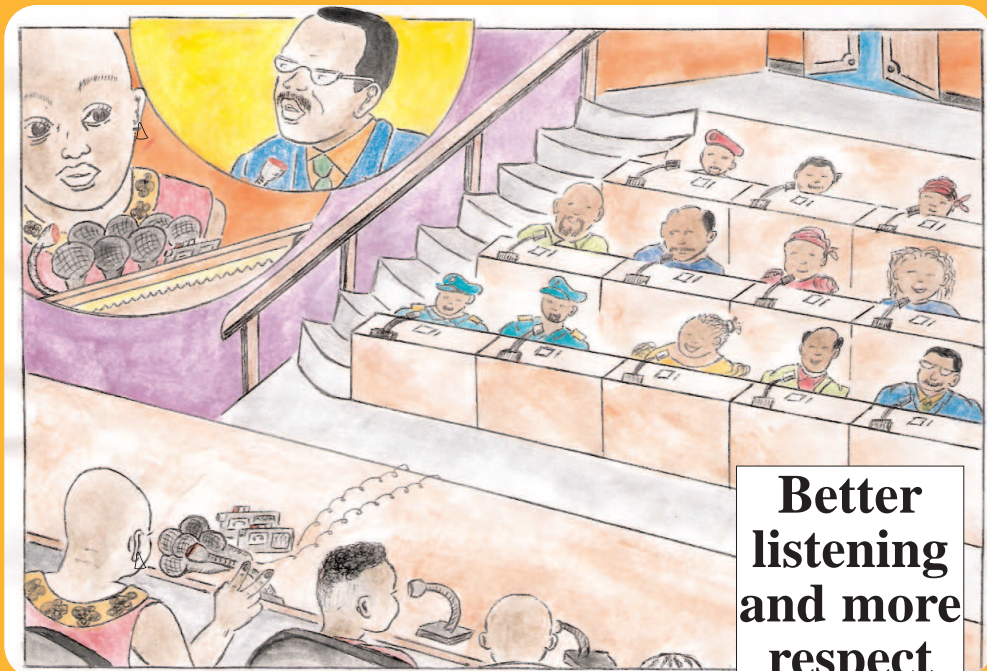

Less work, light work and more rest

Our mission

- To inform and train children on their rights, and lead actions to implement them.
- To struggle against our poverty and that of our communities.
- To contribute in developing child participation, as well as solidarity and fraternity among themselves and among all African populations.

Better listening and more respect

Good communication and collaboration
